

ALISON SHAW WORKSHOPS

CAPE COD

3-DAY WEEKEND

Fall 2022

Cape Cod Weekend – Fall 2022

DATES

Friday, September 9 – Sunday, September 11, 2022

The workshop begins at 9am on Friday (we'll meet in the Windmill Room at Four Points Sheraton Eastham), and ends on Sunday at 4pm.

LOCATION

Four Points by Sheraton Eastham Cape Cod, 3800 Route 6 State Highway, Eastham. Heading out the Cape on Route 6, the hotel will be on your right about four miles from the Orleans Rotary. It's a perfect location, close to many of Alison's favorite shooting destinations on Cape Cod. Our classroom will be the Windmill Room, which is located just off the main lobby – it's an ideal home-base for us during the workshop – spacious, comfortable and convenient.

WORKSHOP DESCRIPTION

Each day we'll divide our time between the classroom and the field. During classroom time Alison will critique new work, lecture, give individual feedback, and help with technical and workflow issues. Most of our time in the field will be spent together so that each participant can receive hands-on help from Alison with planning and making photographs on location.

Cape-based photographer Ray Avitable will be assisting Alison in the classroom as well as in the field during the workshop. Ray has an artistic eye, great technical knowledge, and many years of experience photographing Cape Cod. He's done a terrific job assisting the last three years.

Our subjects and locations are changeable depending on the weather conditions, tides and phases of the moon, but might include Skaket Beach, Atwood-Higgins House, Rock Harbor, Nauset Light, Coast

Guard Beach, and Provincetown Harbor. Alison and Ray are familiar with dozens of wonderful shooting locations within a half hour of the hotel, so we'll have plenty to choose from! There are excellent photography galleries in the area, and time permitting, we may arrange a field trip to Focus Gallery in Chatham, Bob Korn Imaging and Workshop Space Gallery in Eastham, or Expressions Gallery in Chatham.

Days will be long and intense, but also exhilarating and rewarding. You will create some wonderful images, as you learn to see the world around you in a new, more intensely personal way. The Cape Cod workshop will push you beyond the "postcard" approach to color photography. It will challenge you to make photographs that have more in common with painting than with

photojournalism, to see the Cape from the perspective of an artist with your own unique vision.

We'll explore color and light, and how they can magically transform the most mundane as well as the grandest subjects. Alison's passion for color – its creative possibilities, and how to maximize its effect – is what inspires her own photographs, which she will share during the workshop.

WHO SHOULD ATTEND

Our workshops are designed for serious photographers – amateur and professional – who want to explore the Lower and Outer Cape, build their portfolios, and expand their knowledge of color photography. You should have a basic understanding of exposure and be familiar with your camera's operation in manual mode. You should be comfortable with your digital workflow, from

memory card to exporting for critique. We recommend that you use Adobe Lightroom Classic as your editing software. If you're unsure about your workflow and setup, please call with questions or concerns prior to registering. A portfolio is not required for admission.

EQUIPMENT YOU'LL NEED

You'll need to bring your digital camera, a tripod, and a laptop for downloading and working with images. You'll need image-editing software – preferably “Adobe Lightroom Classic,” the desktop version. You do NOT want “Adobe Lightroom,” which has fewer features, and is designed for mobile and tablet use. You'll also need a flash drive to transfer your images to the classroom computer, so they can be projected for critique. About a month before the workshop, Alison will send you an email with more equipment info – if you have any questions before that time, feel free to email us: claire@alisonshaw.com.

GETTING TO EASTHAM

By Car: If you live within an easy drive of Eastham, driving your own car is clearly the best choice. There's plenty of parking available at the hotel.

By Air: We recommend flying from Boston (BOS) to

Provincetown (PVC) on Cape Air, and renting a car for the 40-minute drive to the hotel. (www.capeair.com). Another option is to rent a car at Logan Airport (BOS) or TF Greene Airport, Providence (PVD), and drive to the Cape.

TRANSPORTATION DURING THE WORKSHOP

To reach our shooting and dining locations, you can drive your own car, rent a car, or carpool with other students. If you are staying at the Four Points Sheraton, don't worry if you don't have a car – there are always workshop students willing to share their cars, in exchange for pitching in with gas money. We can help coordinate this during our first morning in the classroom.

ACCOMMODATIONS

You are responsible for booking your own accommodations for our weekend on the Cape. It will definitely be most convenient to stay at the Four Points Sheraton. A lesser-price alternative would be to stay next door at their sister property, Ocean Park Inn (contact Four Points Sheraton to

book a room at Ocean Park Inn). There are also numerous less expensive hotels along this stretch of highway in Eastham – about two miles further out the Cape, the Viking Shores Motor Inn at 5200 Route 6 State Highway is a good choice. If you'd like to discuss lodging choices, or are interested in sharing a room with another student, send us an email: claire@alisonshaw.com.

MEALS

Students are responsible for their own meals. Alison and Ray are always glad to recommend their favorites, and when possible, we'll try to plan optional meals together. Breakfast is available at Bellamy's Grill & Bar, located at the hotel where we'll be meeting. The town of Orleans, nearby, has plenty of great restaurant choices for dinner.
